FROM THE SHOW

“

*The people that you meet are the right people. They are the ones that are the decision makers, they are the managers.*

**Tijmen Gombert**  
Temporary Works Design

“

*A lot of decision makers come here, a lot of diverse, people but specialised people...I would definitely recommend it to others.*

**Mark Goodger**  
Hydro International

“

*I would certainly recommend this show to anyone in this sector...we will be exhibiting again next year*

**Colin Green**  
Technical Director - QROS Ltd.

“

*The quality of visitors has been very, very good. We've had a lot of decision makers, we've had people with purchasing power. These are the people that say phone me, let's make an appointment, let's get together, we can do something.*
